Plastfocus'21 to be held from March 9-14

New Delhi, Feb 15 (UNI) Plastics Machinery Manufacturers Association of India (PMMAI) on Monday said a virtual plastic exhibition--Plastfocus'21 will be held from March 9-14.

Mr AK Aggarwal of Espoir Polymers, a company specialised in reprocessed polymers and plastic compounding, who intends to participate in the exhibition, said the virtual exhibition would be a new experience.

"We are hopeful that this will be a great platform to connect with buyers and sellers across India and as compared to physical exhibitions, this is economical too," he said.

The organisers are hopeful that with the exquisite features this exhibition offers, the companies should have enough reasons to exhibit and participate, the PMMAI said in a statement.
